

Jeannette's Visionaries of the Year Fundraiser

Dear Friends and Family,

I have been given the opportunity of a lifetime to help others. I am honored to announce that I am joining The Leukemia & Lymphoma Society's (LLS)

Visionaries of the Year fundraising campaign as a member of team Jeannette Witten and Hudson Martin PC. I am writing today to invite you to support LLS's in its mission to cure blood cancers.

From March 8, 2024 to May 18, 2024, our team will be working toward our goal of raising \$50,000. Every dollar we raise helps LLS – the largest nonprofit dedicated to creating a world without blood cancers – as they advance lifesaving research for cures, drive vital advocacy for patients and survivors, and provide everyone affected by blood cancers with the education and support they need. Our team is particularly passionate about the Research Mission Pillar. We will be representing this area of LLS during our campaign. I know that with your support, we can reach our goal and make a direct impact for blood cancer patients everywhere.

Here's how you can join the fight against cancer with a tax-deductible contribution

- Contribute securely on our team page: <https://pages.lls.org/voy/mry/monterey24/jwitten>
- Mail your tax-deductible contribution to: LLS Northern California, P.O. Box 102488, Pasadena, CA 91189-2488. Please make checks payable to "The Leukemia & Lymphoma Society" and print (Team Member: Jeannette Witten) in the memo section.

I also wanted to share a beautiful video of our 2024 Local Honored Hero, Ellis. (<https://vimeo.com/920532598>)

All donations will support LLS's mission to cure leukemia, lymphoma, Hodgkin's disease, and myeloma, and improve the quality of life of patients and their families. Thank you in advance for supporting this cause that is so close to my heart. Every dollar makes a difference!

Thank you,

Jeannette K. Witten
